Also, I'm getting confused on what you told Casey, because in your email yesterday you said Casey "will mention the subpoena and convince your jurors I didn't come because your a sick disgusting old man that made me go to the club and get rejected, and these girls are making all of this up . Because I told him that on the phone !" I think that will be damaging to our case when you come in response to your subpoeana and repeat it; or deny it, and then a witness for them says they heard it. You are now his witness, helping him; opposed to us; I will seek to get you off the witness stand as quickly as possible, and will not ask you any questions about your story. Casey will not have you tell your story either, of course. He'll just ask for things that help him. So I'm very confused as to how you think you can be his witness and ours; but it will not be through questions by me after you come and testify as his witness. And he won't ask you either.

Hey Eric , let's just practice on how to avoid Casey's questions, I never told him ANYTHING ABOUT ANYTHING. But me not being there will give him the opportunity to say I said things that I did not , me being there will stop him from lying about anything we talked about . Me not being there HE CAN SAY ANYTHING, because I'm not there . I also want to get paid as well because you started this WITH ME every large milestone came from ME such as andy and the other girls . Not letting me share my story to make a difference for my community is hurting me to an extent you don't understand and never will because you haven't had one black experience IN YOUR LIFE . I'm not ever going to use our emails for anything or to show anyone anything so stop thinking that , I'm not grimey . You trust the people that ARE GRIMEY but you won't trust me . Me not being there IS GOING TO SPEAK TERRIBLE VOLUMES from Casey side me not being there BENEFITS HIM TO AN EXTREME AND I don't think you see that... now me being there and you help me answer the questions how I'm supposed to and allowing me to use my 5th amendment right or what ever , like you said YOUR THE ATTORNEY so just tell me how to answer his bull shit questions. Also IVE NEVER GIVEN HIM ANY INFORMATION ABOUT ANYTHING !
